JONATHAN E. SCHUSTER

OBJECTIVE

Seeking to gain experience in any position as a part time or casual employee through the Summer Holidays (December to February) and onwards. I believe I am a valid choice and apply myself in all situations, without fail, to the best of my abilities.

SKILLS & ABILITIES

Proficient with computers and software. Built several computers from parts and help out around school as an IT Mentor.

Excel in Mathematics and Physics, achieving high results in internationally renowned difficult classes such as Higher Level Mathematics and Higher Level Physics.

Good with people, outgoing and like to talk. A "people person".

Punctual with everything I do, always sure to be on time and do things to the best of my ability.

ACADEMIC ACHIEVEMENTS

NATIONAL ASSESSMENT PROGRAM – LITERACY AND NUMERACY (NAPLAN)

Received High Distinctions continuously in Numeracy exams, within the top 5% of all test takers.

INTERNATIONAL COMPETITION AND ASSESSMENTS FOR SCHOOLS (ICAS)

Received High Distinctions and Distinctions continuously in the Mathematics and Sciences exams, within the top 5% of all test takers.

INTERNATIONAL BACCALAUREATE DIPLOMA PROGRAMME

Receiving high marks in all of my classes and graduating soon from my High School career with an estimated OP 1 – 3 equivalent.

EDUCATION

QUEENSLAND ACADEMY FOR SCIENCE MATHEMATICS AND TECHNOLOGY | 2011 - 2013

Schooling for exceptionally talented students within the areas of Mathematics, Science and Technology. Teaches the International Baccalaureate Diploma Programme – Internationally recognized to introduce interdisciplinary thinking for students.

ANGLICAN CHURCH GRAMMAR SCHOOL | 2007 – 2010

School is notable as a founding member of the Great Public Schools Association of Queensland.

WORK EXPERIENCE
