Profile:

With the combination of my ability to focus on the client's needs first, sunny disposition and exceptional communication skills, I am able to fulfil the role in delivering a fantastic customer experience, and to sell a product in an attractive and professional manner. Through abundant work experience in the hospitality, retail and promotional industry I have acquired strong selling and supervising skills, versatility and the ability to be a fast learner on the job. I am also able to work well within a team, and am results driven.
